

Rights Round Table Newsletter 4

Gary and Anna, from Learning Disability England, spoke to us about the campaign for accessible Covid-19 information.

Self-advocates from all around the country have helped with the campaign.

They have written to the Government, asking for accessible Covid-19 information to be released quickly, to help keep people safe.

How can you get involved?

You can see the letter here:

Our group members said...

What will happen if you don't get a response from the Government about accessible Covid-19 information?

I used the Patient Advice and Liaison Service (PALS) to help get NHS information in the format that I needed.

We all need information we can understand about Covid-19, not just people with learning disabilities. The news and press briefings should all be accessible.

Our next Zoom meeting is on Monday 7th December, 2.30pm - 3.30pm.

We will be talking about flu jabs and Annual Health Checks. Have you had yours this year...?
