

Positive Behaviour Support Workshops

This series of workshops is about understanding and supporting your child's behaviour, particularly if their behaviour can be more challenging at times.

We help parents to think about strategies and to come up with a plan that focuses on a good quality of life for your child and your family.

We are running Online and Face to Face sessions in the Autumn Term 2022

For Newcastle parent/carers

You need to be able to attend all 3 online sessions or 2 face-to-face sessions

For latest dates please see page 2

Please book early to avoid disappointment.

For families who have a child with a learning disability and/or are autistic. If you are waiting for a diagnosis for your child you are also very welcome to attend.
